Pursuant to MCR 7.205(D)(2), in lieu of granting leave to appeal, the Court orders that the trial court's June 19, 2008 order denying defendant's motion to modify child custody, as well as its July 15, 2008 order denying his motion for reconsideration, are VACATED. The case is REMANDED with direction that the trial court fully consider all of the issues raised in defendant's motion to modify child support and its supporting brief, including, but not limited to, whether there was a change of circumstances that would warrant modification of defendant's child support obligations, and if a change is found, the proper payer and amount to be paid. The court shall also address the issue of abatement.

The Court orders that the motion to file a late answer is GRANTED and the answer filed with the motion is accepted.

We do not retain jurisdiction.
